Welcome to BREISACH

You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don't need a corset if they've got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait

Breisach – the first European town in Germany: a border town on the Rhine and the “bridge to Europe”. Even from a distance, St. Stephen's Cathedral attracts visitors. At the top of it, a magnificent panorama unfolds: See the Kaiserstuhl mountain, the Vosges and Black Forest at a glance. And the Rhine flows through the middle of it all. A contested area steeped in history, discovered by the Romans. Embattled castles, mighty fortresses and cities recount fascinating tales of times gone by. You can live well and enjoy yourself here – with good food and culture.

Location & Directions

The hostel is located right on the Rhine. Breisach is also known for being the first European town. The Rhine Gate houses the Museum of Prehistory and Early History.

Sport|Youth Hostel

Breisach youth hostel has been certified as a “Sport|Youth Hostel”. The existing partnerships with sports organizations, the proximity to the municipal stadium, the sports field on the hostel grounds and the modern rooms with shower/toilet are ideal conditions for this profile.

Enjoy your meal

The greater the variety, the more yummy it is. We are happy to satisfy individual guest wishes. According to prior agreement, we are prepared to adjust to vegetarian and religious conditioned food and offer special meals for sportsmen and seminar attendees.
